SWEET CRUMBS BAKERY

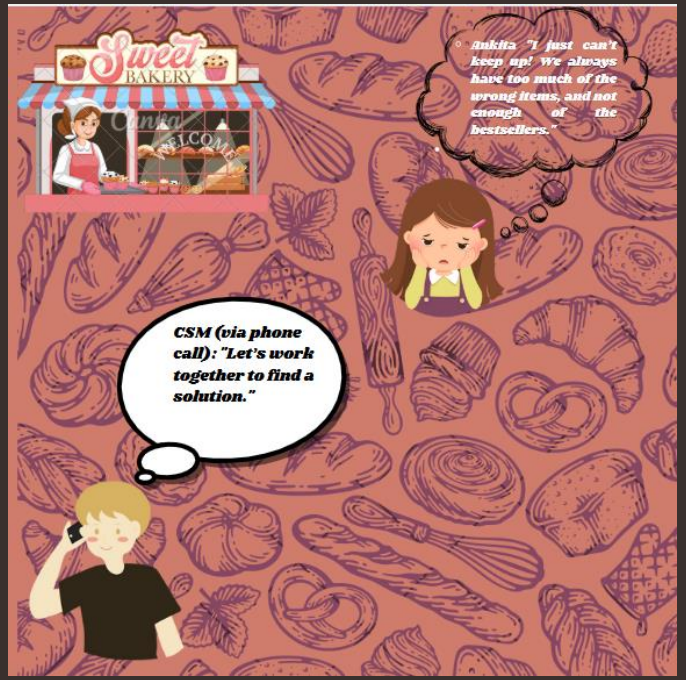

Presented by: PARISHA AHUJA

SCENARIO: 1

The struggle

- **Setting:** Inside **Ankita's** bakery, surrounded by unsold items and empty tables.
- **Plot: Ankita** is overwhelmed and stressed as she struggles with inventory issues, sales, and high waste.

Scenario: 2

Identifying the Problem

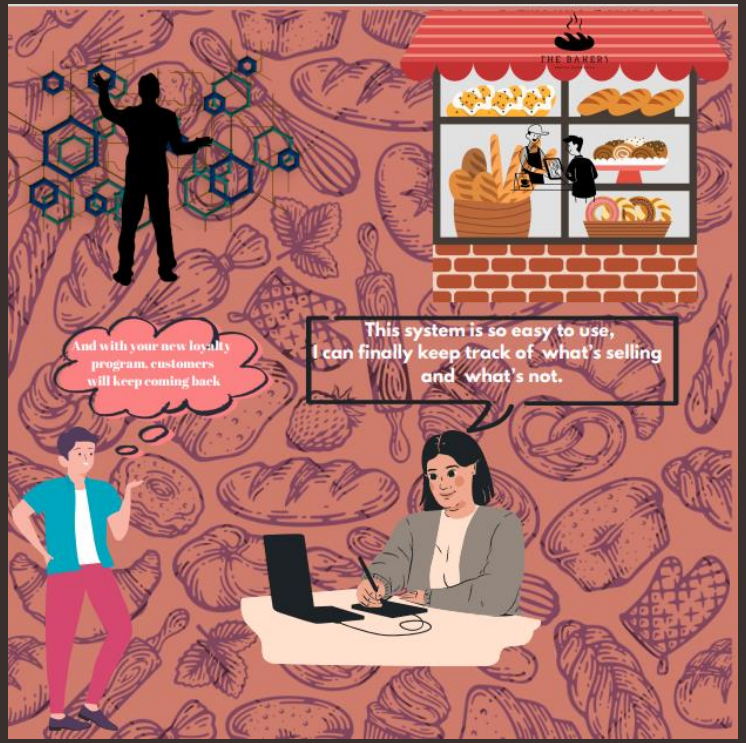

- **Setting:** A video call between **Ankita** and the **CSM**.
- **Plot:** The **CSM** helps **Ankita** identify the root causes: inconsistent inventory, limited customer insights, and lack of marketing.

SCENARIO: 3

Implementing Solutions

- **Setting: Ankita's** bakery and back office.
- **Plot:** The **CSM** shows **Ankita** how to use a simple inventory management system and suggests new marketing strategies. They also create a loyalty program for returning customers.

Scenario: 4

Achieving Success

- **Setting:** The bakery is now full of customers, and **Ankita** is happily serving them.
- **Plot:** Sales are up, waste is down, and customers are happy. **Ankita** thanks the CSM for their ongoing support and guidance.

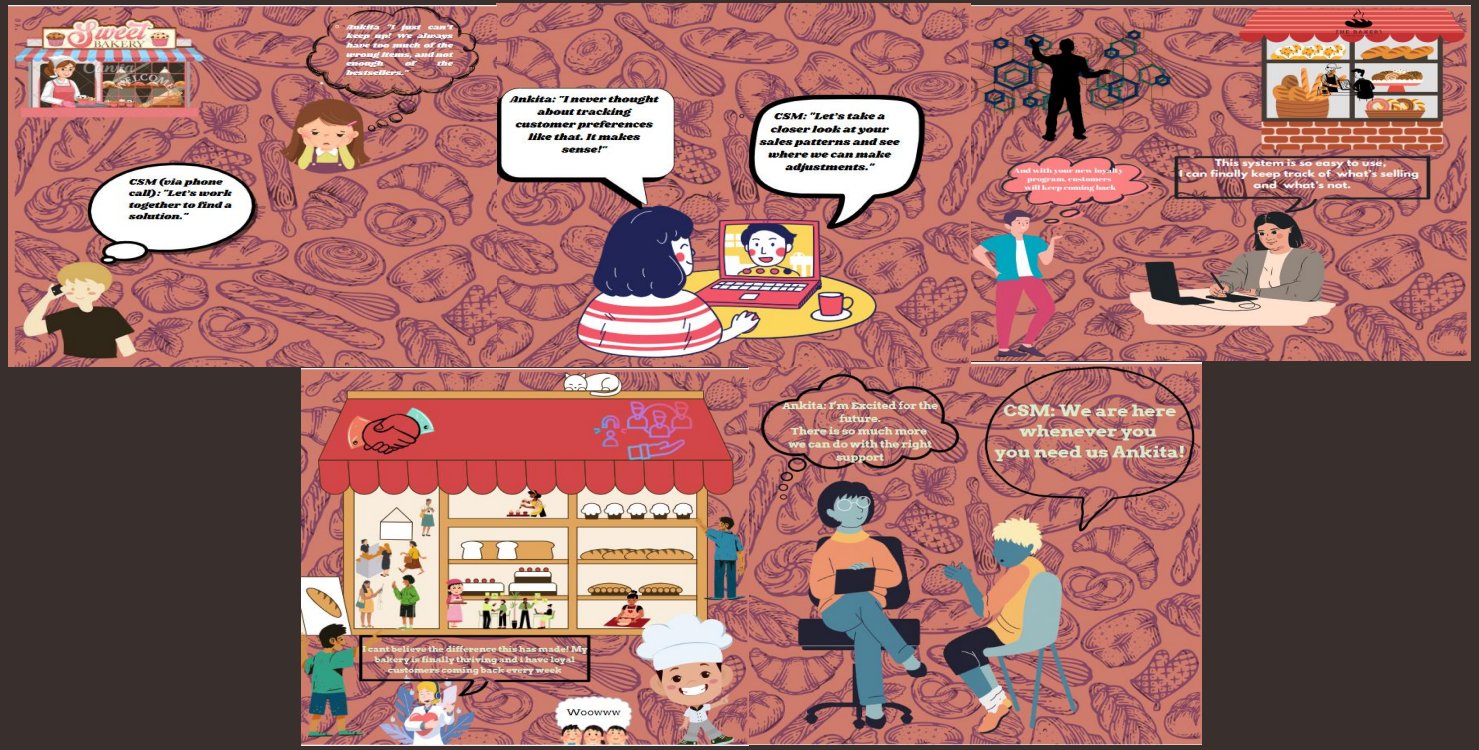

Scenario: 5

Continued Growth

- **Setting:** The bakery continues to succeed.
- **Plot:** The bakery continues to grow, with **Ankita** expanding her menu and improving her marketing efforts, thanks to the ongoing support from the **CSM**.
